

Directions to Hometown Ophthalmology

Our office is located at 1449 Kimber Lane, Suite 102A.

If you use GPS, the directions will bring you to the back of the building, so just drive around to the other side and you will see us!

Kimber Lane is a cul-de-sac on the west side of Burkhardt Road, between Morgan and Vogel. We recommend turning on Florida Street when turning off Burkhardt (This is between Dr. Dashboard and Gordon Food Service (GFS)).

If you get lost, just call 812-616-2020 and we will help you find us!
